Dear Eddie:

I want to commend you and your crew for providing a much-needed re-seal on the AGC of Missouri parking lot. As you can see in the attached photos, the lot now has more “curb appeal”, not to mention the extended life-span on the asphalt.

I was told that your foreman, Wes Calvert, was very professional in communicating the work schedule to our staff and the crew was very attentive to working around the staff’s vehicles.

Thank you for being a valuable asset to the AGC of Missouri.

Sincerely,
